Nishat Welfare Organization (NWO) is a non-profitable and non-political NGO, registered with the Social Welfare Department of the Government of Sindh. It is active since 1983 with prime focus on promotion of quality education, health and community development.

Working under the able guidance of **Pir Muhammad Sadiq Qureshi**, *the 9th Pir of Luari Sharif*, and the supervision of leading scholars and educationists of Sindh, the NWO seeks to achieve individual and organisational excellence through meaningful development at local as well as national level. It is engaged in general well-being of the people through active community participation.

The NWO aims at addressing social, cultural and economic problems of the communities; providing basic civic amenities such as micro-financing, education, health, environment, agriculture, communication, employment, water supply and sanitation, etc, and enhancing socio-economic conditions of women, children and the poor.

At present, the NWO is running a project of provision of roofing kit with the support of RTI-OPP at Badin district and adopted 6 schools of UC Luari Sharif, Badin. It has also renovated the Government Municipal Primary Girls & Boys School in Old Wahdat Colony, Hyderabad, which now caters to the needs of over 600 students.

The list of various completed projects can be observed at the website of NWO.
